

# How To Draw... An ARP Warden!

ARP stands for Air Raid Precaution. ARP Wardens helped to keep people safe during the bombing of London and other cities during the war.

# How To Draw... A Soldier!

Soldiers in the British Army fought all over the world during the Second World War, including Europe, as well as parts of Africa and Asia.

# How To Draw... A 'Tilly'!

NATIONAL  
**ARMY**  
MUSEUM

A 'Tilly' was a type of vehicle used by the British Army during the Second World War. Tilly was short for 'utility' meaning it was practical and useful.
