

How To Draw... Athena The Owl!

Athena was Florence Nightingale's pet owl, named after an Ancient Greek goddess. She was a little owl and Florence used to carry her around in the pocket of her dress.

How To Draw... Florence!

Florence Nightingale became known as the Lady with the Lamp because she would walk around the hospital at night, checking on her patients.

How To Draw... SS Vectis!

SS Vectis was the name of the ship Florence took to Scutari, this was the nearest hospital to the fighting in the Crimea and it was still 339 miles away from the battlefield.
